PBIS/MTSS SESSIONS

## Join us for the 7th Annual Behavior, Education, and Technology Conference (BET-C) in Phoenix!

You will gain practical knowledge from expert trainers, researchers, and P-12 administrators and teachers who are implementing Positive Behavioral Interventions and Supports/Multi-Tiered Systems of Supports to dramatically increase achievement while sharply reducing disruptive behavior. Technology experts will also be on site to demonstrate innovative strategies and techniques to incorporate into the classroom.

### At BET-C 2018, you will:

- Reconnect with colleagues while expanding your network
- Gain new perspectives on school improvement & best practices in equitable discipline
- Understand the link between PBIS, family engagement, and student achievement
- Learn about the latest strategies to integrate instructional technology and STEAM
- Earn up to 6 hours of professional development credit
- Earn BCBA CEUs for selected sessions

### Who should attend?

School and District Administrators, Technology Coordinators, All P-12 Teachers, Behavior Specialists, Social Workers, Mental Health Professionals, Policy Makers, and Family Members. Teams implementing Positive Behavioral Interventions and Supports (PBIS)/Multi-Tiered Systems of Support (MTSS) are encouraged to attend.

Preview just a few of the innovative PBIS/MTSS breakout sessions coming to BET-C 2018. See the full agenda at: <http://bet-c.org/2018-agenda/> This year, we present Kent McIntosh as our keynote speaker, up to 20 exhibitors, all meals, snacks, and a hosted beer and wine reception for the PBISaz Film Festival.

11:00 - 12:15

### **"PBIS: From Behind the Wheel of a School Bus"**

**Eric Kissel**

Director of Transportation  
Laveen Elementary School District

**Joe Roselle, PhD**

Community Engagement  
Coordinator  
Laveen Elementary School District

Those working in transportation can often feel like a third-party provider instead of a part of the school district. This session follows one district's experience with integrating PBIS as a transportation department, rounding out a district-wide implementation.

1:15 - 2:30

### **Affecting Adult Behavior Change**

**Kimberli Breen, MS, CAS, MA**

Behavior Change Agent-Affecting  
Behavior Change Inc.

Schools seeking to implement Positive Behavioral Interventions and Supports, and other initiatives, often report struggling with 'staff/family buy-in' and 'implementation fidelity'. This session will help to demystify root causes of those challenges while providing a framework for understanding, and intervening on, adult behavior.

2:45 - 4:00

### **Early Childhood PBIS**

**Korina Callahan, MEd, BCBA &**

**Julie Hardy, MEd, BCBA**

Kaibab Behavioral Services

The Pyramid Model is a positive behavioral intervention and support (PBIS) framework that uses systems-thinking and implementation science to promote evidence-based practices. The model focuses on training early childhood sites on all tiers of PBIS as well as individual coaching for teachers using the practice-based coaching framework.

Join us and walk away re-energized and with new information to help you promote the well being and achievement of your students.
