**Basic Lanyards for \$0.25 each** or **Premium, No-Flip Lanyards for \$0.75 each.**

# Alternative Printing Options for PBIS Rewards

Below are some alternative options to purchasing badges through PBIS Rewards. Our system already generates the PDF files for you, so you can print them yourselves. Some schools opt to make their own badges by buying a badge printer or just laminating business cards. Others choose schools print them out as labels and stick them on binders, desks, electronic devices, or even on existing badges. We've done our best to include the most inexpensive and reliable resources for you to purchase the necessary items to create badges and labels, as you'll see listed in the Additional Details column. You can come up with the same results with the badges that you come up with!
