POWERFUL MOMENTS

Dear Parents/Guardians,

The staff of RISE Academy would like to hear from you. Please consider answering the following question. Thank you for trusting the staff of RISE Academy to work with your child. They are the reason we do what we do.

Sincerely,
RISE Academy

What are your hopes and dreams for your child?

We would love for him to be able to excel in whatever he does so that he can be self-supporting. We would like for him to be able to live on his own, or with minimal support in his adulthood so that he is able to pursue his own goals and dreams. Lastly, we want him to be able to accept and apply any feedback he may receive, that he may be able to better relate with others.

WHAT MATTERS TO ME

I would like to say thank you for allowing my son to attend Rise Academy.

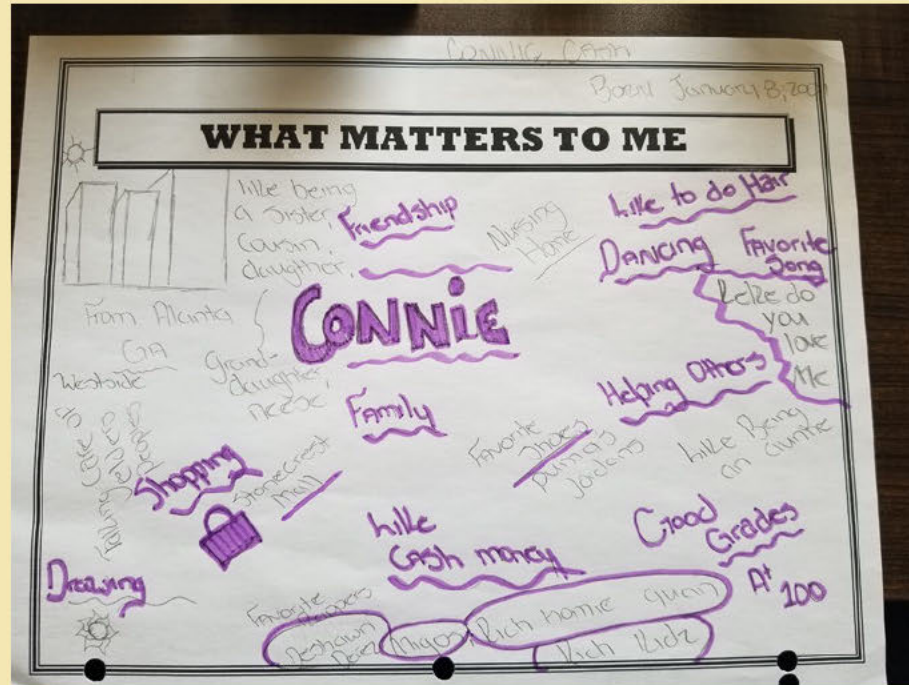

I am very thankful my son has been given a second chance, my hope and prayer for him is continued education without feeling like he has failed and allow this mistake to become a stumbling block for him.

My son is a wonderful, respectful, kind intelligent young man. This mistake has been a very hard lesson for him. I believe with the right support and encouragement from home and school he will be able to continue on the right path, finish school and go on to college.

Thank you again for this opportunity. I believe after meeting with you all on Friday this will be a positive experience for Christian.

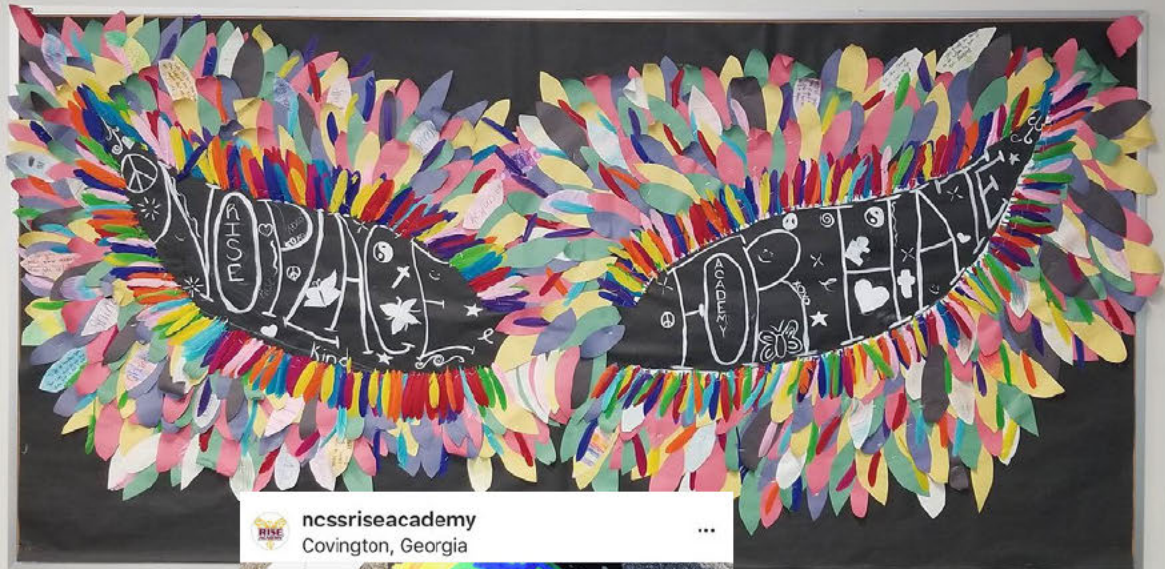

Kind Regards,

Kristy Roberts

1. How would you describe your experience thus far at RISE Academy?

My experience with Rise Academy has been amazing, they have helped me go from 9th to 11th grade. If it wasn't for them I would probably still be struggling trying to pass. They help me get my work done and make sure I'm okay. They always make sure you have a smile on your face and that you feel welcome. I am glad that I got the opportunity to come to Rise Academy.

I just wanted to say thank you for the best year in my entire life. I came here for a lesson and it was also a blessing. This here journey at rise academy as built a better person. one day I hope to come back to rise not for doing wrong but doing right. I honestly felt disliked coming in the school. I thought none of you teacher liked me. but after I got settled in I learned I'm here not because of you guys but because of me and I am thankful for that. You guys are the best teachers I have ever had. one day I will be back for the better and I will remember every single one of you guys. when I go back to [REDACTED] I will be the smartest because of all the help I had from you guys. I just wanted say thank you for having me and being the best teachers and staffs I could ever ask for. ❤️😭😭🙏
