Dr. Jessica Hannigan

Dr. John Hannigan
How do we add virtual learning to our behavior matrix?
Access, Equity and Inclusivity for the “WHOLE” child
Pre-COVID PBIS vs. COVID PBIS
Multi-Tiered System of Support (MTSS)

MTSS is a framework that brings together both RtI² and PBIS and aligns their supports to help serve the whole child.
THE HOW

Define, teach, and reinforce what is expected in the Virtual Learning setting like you would any other setting and topic area in your school.

PBIS Staff Survey: Please complete this short PBIS staff survey to help the PBIS/leadership team at your school with implementation and support of PBIS in relation to the virtual learning (i.e., What does SOAR look like in the virtual learning setting?).

- Based on your current virtual teaching state, describe what types of behaviors students are demonstrating in the virtual learning environment that need to be addressed?

- List some appropriate behaviors you want your students to demonstrate that align with our school PBIS expectations SOAR.
  
  Self-Control  On-Task  Achievement  Respect

- Provide any additional feedback you think would be helpful for the PBIS/leadership team in regards to teaching and reinforcing SOAR in the virtual learning setting.
PBIS Student Survey: Please complete this short student survey about SOAR in the virtual learning environment.

- In this virtual learning environment, can you describe what types of behaviors students are demonstrating that need to be addressed?

- List what you think SOAR should look like in the virtual learning environment?

- Use the raise your hand feature
- Minimize distractions
- Utilize chat features appropriately
S.O.A.R. VIRTUAL LEARNING MATRIX

ON-TASK

- Log in on time
- Be present/actively engaged
- Organize your materials
- Set daily goals
- Make yourself visible
- Have a backup plan if you get disconnected
S.O.A.R. VIRTUAL LEARNING MATRIX

ACHIEVEMENT

- Complete tasks on time/Stay on top of assignments
- Be prepared
- Complete preparation work
- Reach out to the teacher for help
- Share and collaborate
- Write in complete sentences
- Create a schedule/space to complete assignments (something about time and space management)
S.O.A.R. VIRTUAL LEARNING MATRIX

- Mute microphone when others are speaking
- Respect others’ perspectives
- Use kind words
- Use proper text etiquette (i.e., ALL CAPS, bold, Italics, sarcasm/jokes, etc.). Can be misinterpreted in a digital space
- Help each other during group assignments and in designated meeting rooms
- Resolve conflict peacefully

Use the raise your hand feature

How to raise your hand in Zoom

1. During a meeting, click on the icon labeled "Participants" at the bottom center of your PC or Mac screen.

2. At the bottom of the window on the right side of the screen, click the button labeled "Raise Hand."

Click "Raise Hand" if you want to say something in the meeting. Zoom

Your digital hand is now raised. Lower it by clicking the same button, now labeled "Lower Hand."
Make yourself visible

- Log in on time
- Be present/actively engaged
- Organize your materials
- Set daily goals
- Make yourself visible
- Have a backup plan if you get disconnected
Wrong way: I do not want or know how to ask for help so I am just going to get zero points on this assignment. I don’t even think my teacher can give me a real grade during this time.

Right way: Take initiative to email the teacher with clarification questions or set up a time to conference with the teacher to get help.
Use proper text etiquette (i.e., ALL CAPS, bold, *Italics*, sarcasm/jokes, etc.). Can be misinterpreted in a digital space.

There are times caps help to put emphasis on a word or phrase, but more often than not, your audience feels like you’re YELLING AT THEM!

**Bold, italicized, underlined, and “quotation marks” in text** can come across as aggressive, sarcastic, or rude.

Teacher interaction: After all, this assignment was “optional” back in February.

That’s not what *you* said.

Could you please reply ASAP?!?

Student interaction with another student in a debate: **I DO NOT AGREE! THAT IS STUPID! IDK**
**Self-Control Prompt:** The teacher is teaching a lesson to the class online. Mark notices the chat feature is open for private chatting (teacher forgot to turn it off). He continues to distract other students during the lesson by sending them private inappropriate chat messages the teacher cannot see. What can Mark do to demonstrate Self-Control in the virtual learning environment?

**On-Task Prompt:** Michelle is bored during an online group assignment. She decides to shut off her camera and press mute. She begins to watch TikTok videos on her phone until the group online discussion part of the online instruction is over. What can Michelle do to demonstrate On-Task behaviors in the virtual learning environment?
**Achievement Prompt:** Angel’s teacher assigns reading prior to logging in online for the class discussion and assignment. Angel decides he will not read ahead of time and he will be fine filling in the responses by text messaging his friends for the answers during class. What can Angel do to demonstrate Achievement behaviors in the virtual learning environment?

**Respect Prompt:** Janice disagrees with another classmate during an online debate on a topic she cares deeply about. Instead of responding to this classmate with civility, she begins to interrupt and use features demonstrating she is screaming. What can Janice do to demonstrate Respect behaviors in the virtual learning environment?

**S.O.A.R VIRTUAL LEARNING AGREEMENT STEPS**

**Step 1** review school-wide behavior matrix with students (including the new added virtual learning column)

**Step 2** tell students you want their voice and agreement as to what this should look like in your classroom

**Step 3** as a class or in groups have students list (positively stated) what they agree to in each quadrant

**Step 4** have a discussion and consensus for each quadrant

**Step 5** have students sign the agreement (virtually sign)

**Step 6** review the virtual agreement every week

**Step 7** virtual learning agreement check in and adjust (Create Poll: How did we do?)
